**Game Description:**

When she left Earth, Ellen Ripley promised her daughter Amanda she would return home for her 11th birthday. Amanda never saw her again.

Fifteen years later, Amanda, now a Weyland-Yutani employee, hears that the flight recorder of her mother's ship, the Nostromo, has been recovered at the remote trading station Sevastopol. When the crew arrive at Sevastopol, they find something is desperately wrong: it all seems to be connected to an unknown menace, stalking and killing deep in the shadows.

**Key Features:**

- **Overcome an ever-present deadly threat** – Experience persistent fear as a truly dynamic and reactive Alien uses its senses to hunt you down and respond to your every move.
- **Improvise to survive** – Hack systems, scavenge for vital resources and craft items to deal with each situation. Will you evade your enemies, distract them or face them head on?

- **Explore a world of mystery and betrayal** – Immerse yourself in the detailed setting of Sevastopol, a decommissioned trading station on the fringes of space. Encounter a rich cast of inhabitants in a world scarred by fear and mistrust.
